

# FOR PEACE OF MIND® THROUGHOUT THE COLD CHAIN

Designed for easy mobility.

## We are all connected.

Biopharma products save and improve lives and have positive impacts on entire communities—but only if they arrive safe, stable, and effective.

That's why we developed the superior performing AcuTemp® couriers, a simple to use reusable temperature management system with multiple sizes, temperature ranges, and durations to protect vital shipments during last-mile delivery—whether recipients are across town or around the globe.

**Keep it
