

SoftboxPRO

Single-Use Parcel Shippers

Softbox PRO is a well-established range of single-use, water-based, temperature-controlled parcel shippers which are used extensively by the pharmaceutical and logistics industries.

These parcel shippers enable quick and easy packing due to the use of thermal barriers which prevent the risk of cold shock in transit.

Softbox PRO has been an industry-leading single-use product for over ten years and offers cost-effectiveness and simplicity in use.

Key Features

Single-use water-based parcel shippers

+2°C to +8°C and +15°C to +25°C temperature options available

Cost-effective parcel solutions, especially for express networks

Up to 120 hours thermal protection against custom profiles

Easy to condition

Industry-leading Pharma-cool refrigerants

Molded insulated configuration enables quick and easy assembly

Globally available via extensive supply network

PAYLOAD (LITERS)
7-60

TEMPERATURE RANGE
+2°C to +8°C
+15°C to +25°C

DURATION (HOURS)
48-120
