

Single-Use Parcel Shipper

Softbox® PRO is an established range of single-use, water-based, temperature-controlled parcel shippers with thermal barriers that prevent the risk of cold shock to temperature-sensitive products.

All Softbox PRO solutions enable quick and easy packing and all sizes and temperature ranges are pre-qualified. Solutions are available in chilled and ambient temperature ranges and various payload sizes.

Softbox PRO has been an industry-leading single-use product for more than 10 years and offers cost-effectiveness and simplicity in use.

Key Features

Single-use water-based parcel shippers

Available in four temperature ranges

Cost-effective parcel solutions, especially for express networks

Up to 120 hours of qualified thermal protection

Easy-to-condition

Industry-leading Pharmacool™ refrigerants

Simple design configuration enables quick and easy assembly

Globally available via extensive supply network

PAYLOAD (LITERS)
7-60

TEMPERATURE RANGE
+2°C to +8°C
+15°C to +25°C

DURATION (HOURS)
48-120
